Kunigami Village Guidebook

Located on the north end of Okinawa Main Island, Kunigami is a must-visit area. Experience the charm of Kunigami, with its jungle-like forest, relaxing beaches, spectacular views at the northernmost part of Okinawa Main Island, and delicious local dishes. Come out to Kunigami and enjoy a trip like no other!

Take a deep breath and fill your lungs with fresh air

The Hiji River flows from the lush forest of Mount Yonaha. Enjoy a pleasant breeze that drifts through the trees.

# On a fascinating journey for treasures

We recommend visiting the small village of Tobaru, with its traditional landscape, and taking a stroll along Tobaru Beach, with its aqua-blue waters.

# Have fun in a rich natural wonderland

A subtropical forest, pristine waterfalls, and large, uniquely shaped rocks, you can find these and more among the massive playground that is Kunigami's rich and abundant nature. The extraordinary experience you'll have here is sure to become a special and unforgettable memory.

#### Have your fill of local delicacies

Feast on vegetables, fruits, fish, and meats all grown in Kunigami's rich natural environment. Eating produce where it was produced is the best part of enjoying food. Taste the great flavors of Kunigami to your heart's content!

#### Relax on beautiful beaches

Enjoy sandy beaches glistening in the morning sun and the gorgeous sun setting across the horizon. There's not a person on this planet that would fail to find happiness enjoying the sight of the sea as it changes from moment to moment during the course of the day. Relax and let time slip away among the sounds of the waves.

# Enjoy a selection of souvenirs from Kunigami

Kunigami has its own original products that make perfect souvenirs, including food made from the blessings of our seas and mountains, as well as sundries and pottery. Buy a gift for those you hold dear, but don't forget to treat yourself, too.

#### What Does Kunigami Have to Offer?

Kunigami is located on the northernmost edge of Okinawa Main Island, and it features a large forest that grows thick with subtropical trees. In Kunigami, you can discover Okinawa's charm beyond beaches and the sea, including cliffs that offer some of the most amazing views in Okinawa, hidden waterfalls deep in the jungle, a small village with a nostalgic atmosphere, and delicious local cuisine.
